Storyboard – Sign Up

On the Sign Up page the user will enter in the required details to sign up for Crochet Mode which will allow them to be able to favorite content and write comments on content.
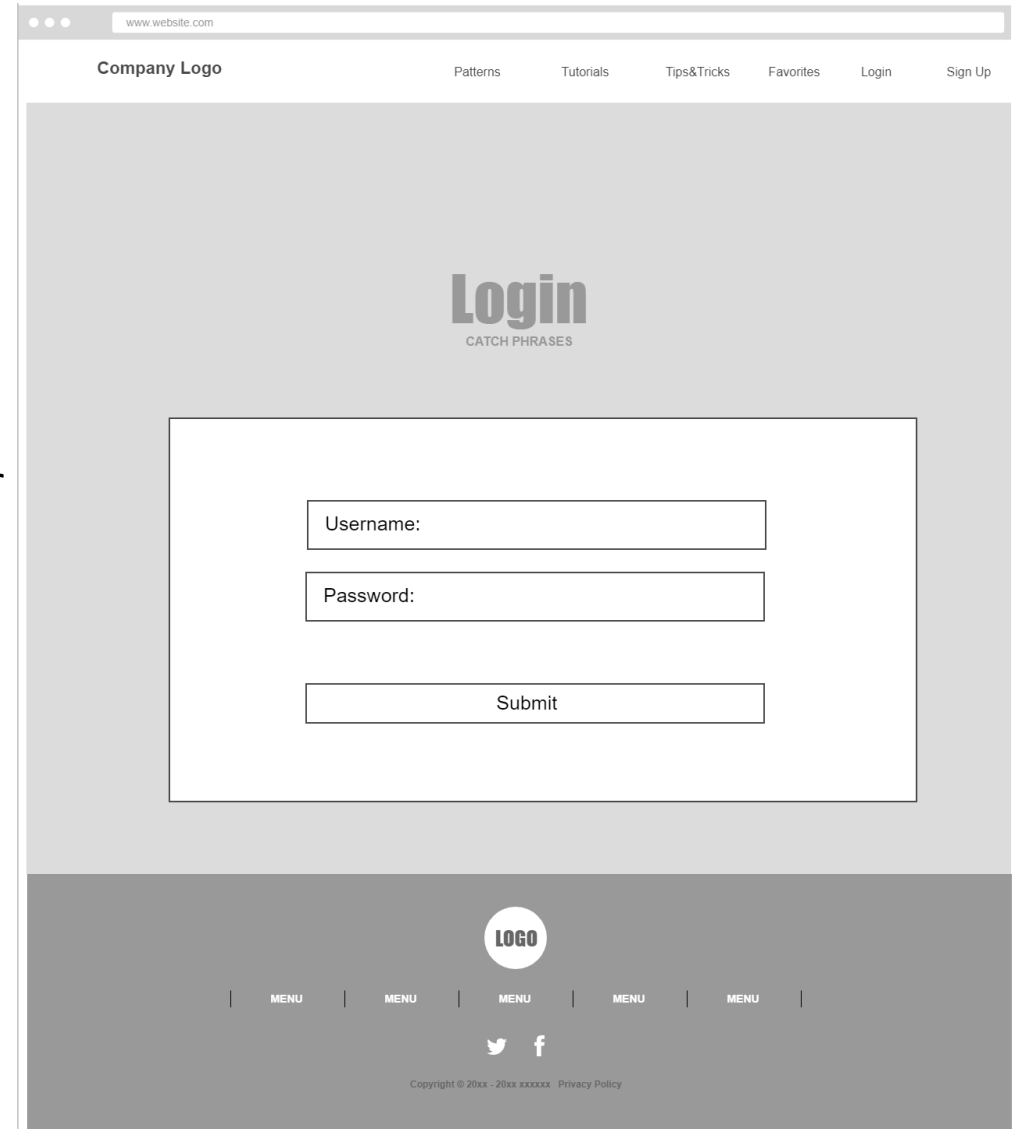

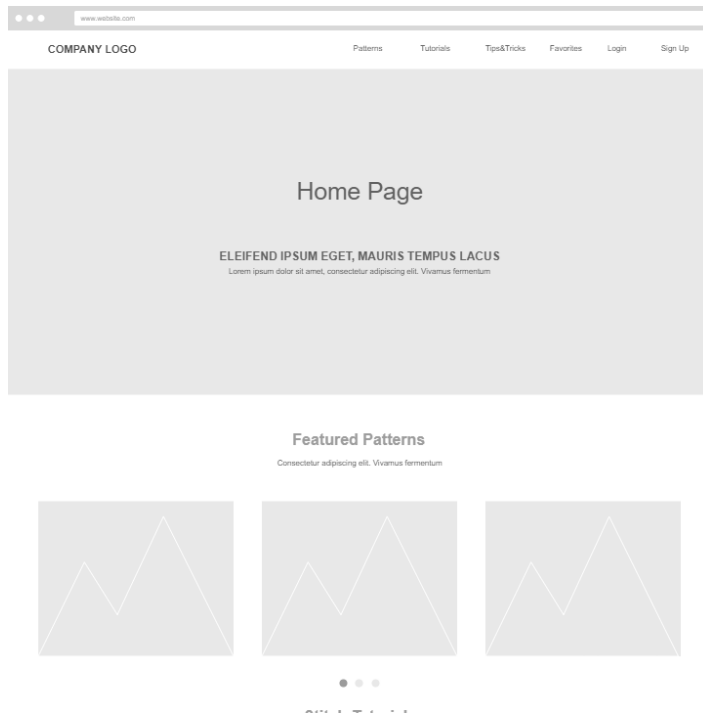

From the Homepage, if a user clicks on the Sign Up tab they will be brought to the Sign Up page

Storyboard – Log In

On the Log In page a user will be prompted to enter their username and password. This will allow them to access their favorites and post comments on patterns
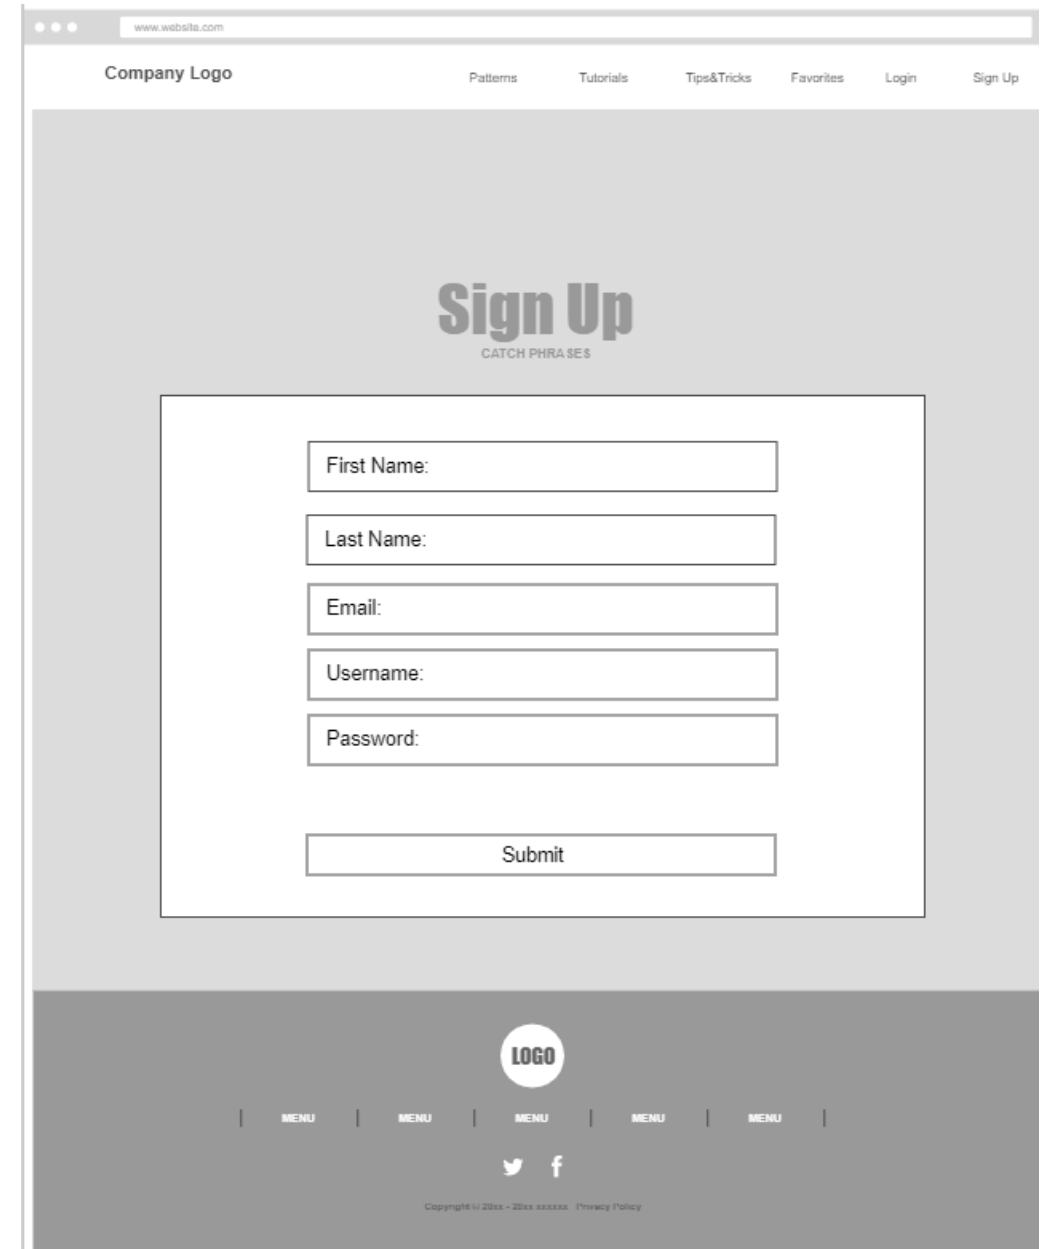

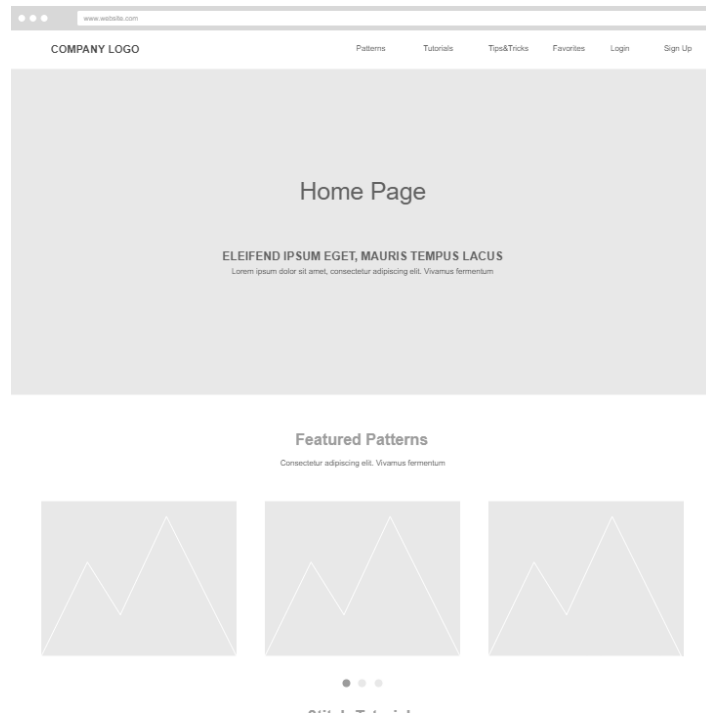

From the Homepage, if a user clicks on the Log In tab they will be brought to the Log In page

Storyboard – Favorites

On the Favorites page a user will be able to see the content that they have favorited

From the Homepage, if a user clicks on the Favorites tab they will be brought to the Favorites page

Each pattern will have a button like this where a user can favorite it so it will show up on the Favorites page
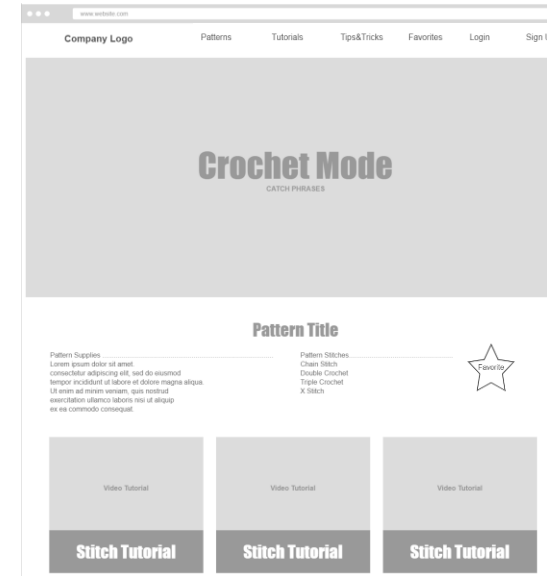

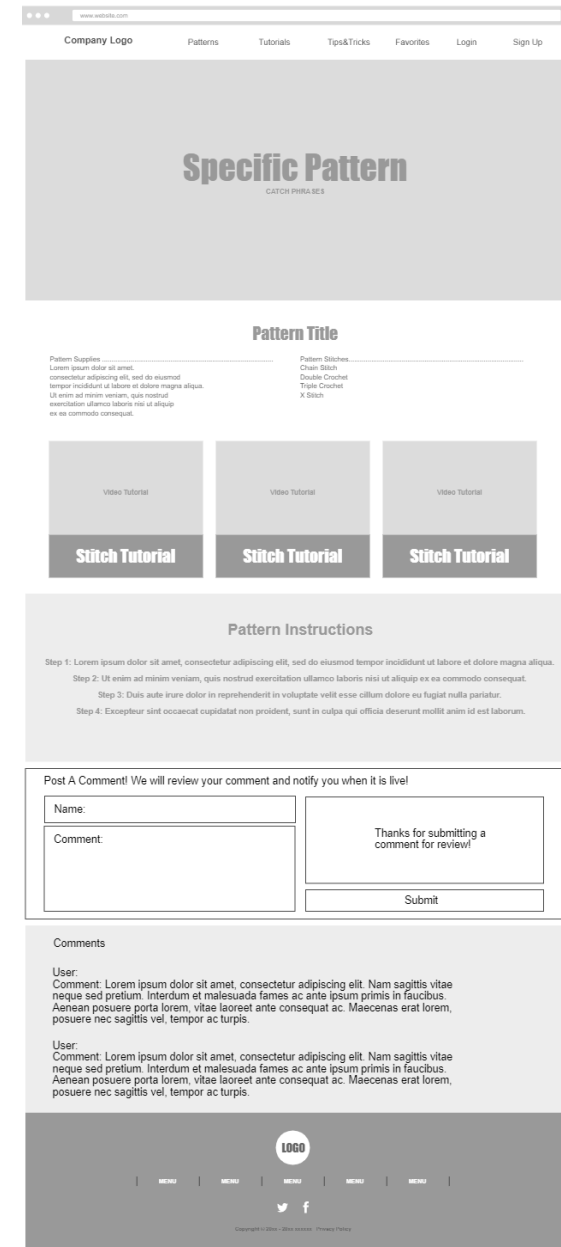

Storyboard – Pattern

From the Homepage, if a user clicks on the Patterns tab they will be taken to the Patterns page
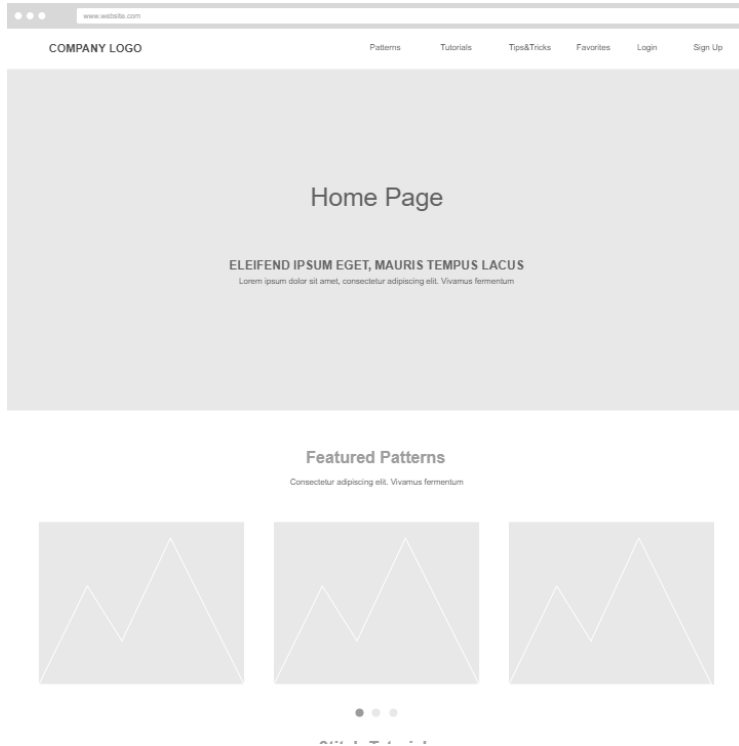

On the Patterns page the user will click on a pattern of their choice

Once on the specific pattern page the user will see the listed material, stitches, stitch tutorials, and pattern instructions all in one place. A member will also be able to favorite the pattern so they can easily find it again later and make comments on the pattern.
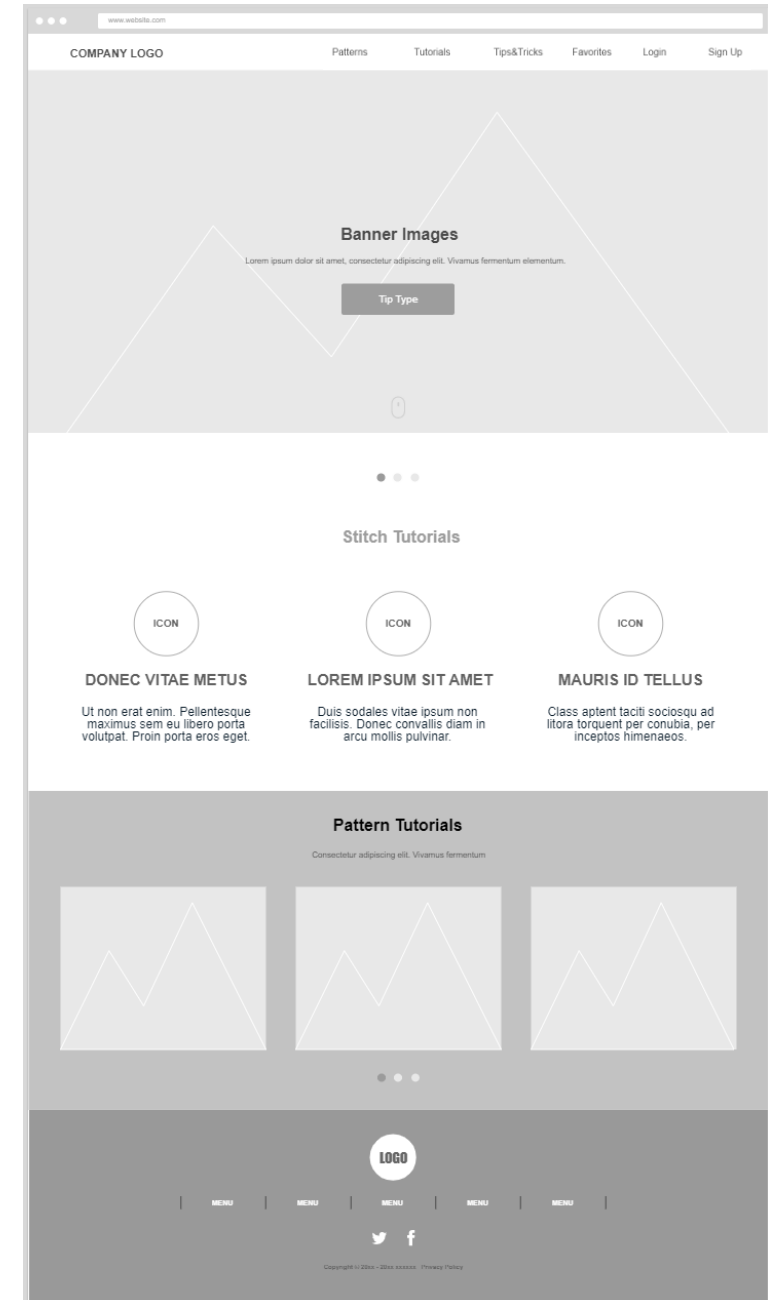

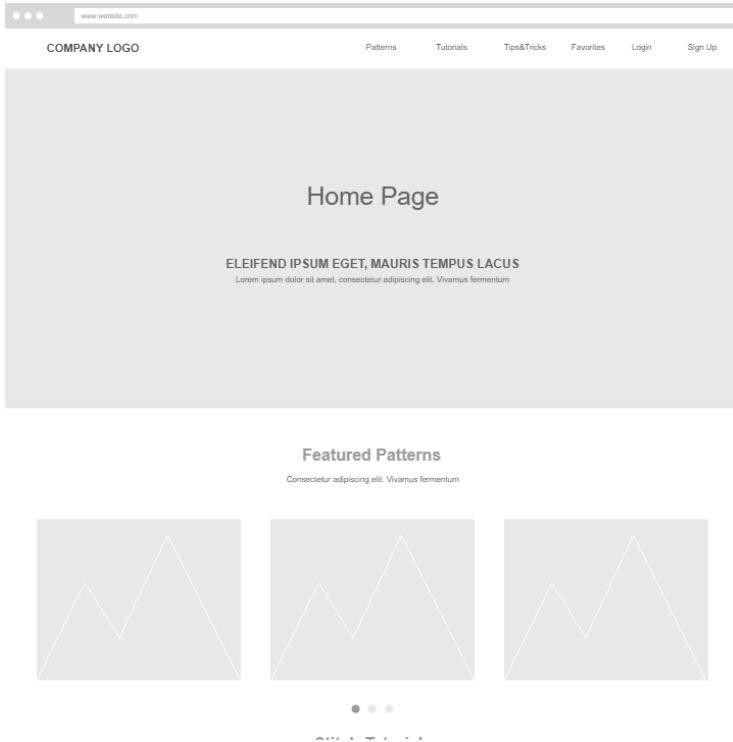

Storyboard – Tutorials

On the Tutorials page they can select which stitch or pattern they would like to see a tutorial on and it will load the video for them to watch.

From the Homepage, if a user clicks on the Tutorials tab they will be taken to the Tutorials page

Storyboard – Tips & Tricks

The Tips & Tricks page will feature links to the tutorials as well as tips for yarn and hook selection

From the Homepage, if a user clicks on the Tips & Tricks tab they will be taken to the Tips & Tricks page
